This fun class will teach you the very basics of playing a guitar – from how to hold a guitar and place your fingers, to learning basic chords and reading guitar tablature. You will also have the chance to practice famous songs and invent your own melodies. The class will be highly interactive and is open to anyone who is a beginner. All you need is to bring a guitar with you (any type of guitar works, but acoustic or classic is preferable). We are very excited to have you join the class!"
